Agenda Item	Minutes and Actions
	Apologies for Absence
1.	Assembly planning. Tried to prioritise what the assembly needs to cover. After discussion and throwing some ideas around came up with sticking with the three school rules Be Ready – to learn, empty hands, eyes on the teacher, silent and still, have equipment, right attitude, try our best Be Respectful – school rules, good behaviour Be Safe – being a good friend, kindness, listen for register
2.	Mrs Ingram would like all children to have a small card to hold which reminds them of the school rules. All the children were asked to design something to contribute to this card/poster and to bring it in next week.
3.
