| | Apologies for Absence |
| 1. | <p>Today our Prime Minister and Deputy Prime Minister visited Horsendale to meet their Children's Parliament counterparts and to see how their school runs.</p> <p>We had a wonderful time looking around their school which has the same number of students as AP (roughly) but has reception children through to year 6. They have lots of space compared to our school, both indoors and outside but use it all in a very similar way to ourselves in terms of provision for the children.</p> |
